Instructor: Julie Rice MT(ASCP), ANWI™, KPA CTP

Julie has been teaching dog training classes for over 30 years in and around the triangle area of NC. She has competed with and titled her own dogs in Tracking, Obedience, Agility and Nosework.

In 2011 she learned about the new sport of K9 Nosework™ and shortly afterward began teaching classes under the name Ascent Dog Training. Since enrolling in the Instructor Certification program offered by the NACSW™ she has taught thousands of hours of K9 Nosework™ classes and introduced many in the Triangle and elsewhere to the enriching activity and engaging sport of Nosework.

Currently she teaches group classes, private lessons, offers analysis of Nosework videos and hosts opportunities to the wider Nosework community to practice under trial-like conditions. Her students compete successfully at the highest levels of Nosework.

Julie is currently working toward her full certification as an Instructor for the NACSW™, has recently graduated with honors from the Karen Pryor Academy Dog Training Professional program and works helping to train service dogs for veterans.

About K9 Nosework™

Inspired by working detection dogs, K9 Nose Work is the fun search and scenting activity for virtually all dogs and people. This easy to learn activity and sport builds confidence and focus in many dogs, and provides a safe way to keep dogs fit and healthy through mental and physical exercise. K9 Nose Work starts with getting your dog excited about using his nose to seek out a favorite toy or treat reward hidden in one of several boxes, expanding the game to entire rooms, exterior areas, and vehicles. As your dog grows more confident with his nose, target odors are introduced, and competition skills are taught.
