

REMEMBERING 2023

WHAT'S NEW AT BON-CLYDE IN 2024?

Bon-Clyde had a great year in 2023. Jon Hart Construction Company gave Bon-Clyde a complete face lift both inside and out. The Agility arena received insulation, roofing, lighting and complete paint for ceiling and walls. The walls were painted a Grey and white color which added perfect contrast. (The grey and white color was also used on the outside of the 22,000 square foot building and has gotten great reviews.) New windows and blinds were installed. Bench seating was installed which allows more ring side seating. A concrete walk between the arena and the upper building is very Impressive and allows for more formal landscaping and drainage. New rubber matting was installed in the upper rooms. Now each room has matting for all your performance needs and can host Obedience, Breed Shows, Rally, Scent Work, Treibball and Specialties. The 10,000 sq foot Agility Arena completes the rental potential with about 22,000 sq feet. The facility is fully climate controlled and has plenty of space for crates. The grounds offer plenty of parking. One of the bathrooms was remodeled with the decor of Black and White. Thanks, Jon for installing the black and white tile and Kathy for her expert paint job. Of course, this is called "A Border Collie Room!" Yes, 2023 was a very busy year. It also was Bon-Clyde's THIRTY-THREE YEAR ANNIVERSARY. The Sanford Growth Alliance honored Bon- Clyde Learning Center with a RIBBON CUTTING AND TOUR of the center. It received front page coverage and lots of publicity. What a great honor to have been in business for thirty-three years. Scott Mason, the Tarheel Traveler, from WRAL did a unique story on Bon-Clyde. Scott was great and I really enjoyed meeting him.

Bon-Clyde is planning a great 2024 Year.

Our programs include all levels of Obedience, from Puppy class, Beginner, and Perfecting class. Rally classes are very popular, and we offer all levels.
